I wish to participate in West Platte High School's A+ Program. **Assuming state funds are available**, I will receive reimbursement for my unpaid balance of the cost of tuition to attend a Missouri public community college or vocational/technical school, after federal post-secondary financial assistance funds have been applied. Funds to pay these tuition incentives will be paid by the State of Missouri, not the West Platte School District, PROVIDED state funds are appropriated by the Missouri General Assembly. I understand that if I successfully complete the requirements and graduate with A+ certification, that the tuition incentives may be available to me for a period of four (4) years after high school graduation.

This is on condition that I meet all the following requirements:

- I have a signed, copy of the A+ Participation Agreement on file in the A+ office
- I have attended a designated A+ School for three (3) consecutive years prior to graduation
- I graduate from high school with a cumulative GPA of 2.5 on a 4.0 scale
- I have at least a 95% attendance record for the four (4) year period
- I perform at least fifty (50) hours of approved, unpaid tutoring of younger students
- I maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
- Register for Selective Service, if applicable
- Make a good faith effort to first secure all available federal post-secondary student financial assistance funds that do not require repayment (FAFSA)
- Score advanced or proficient on the Algebra 1 End of Course Exam

These standards will be reviewed quarterly by the A+ Coordinator for approval of continued participation in the A+ Program.

In order to maintain eligibility during the four (4) years **after** high school, the student must:

- Have enrolled and attended on a full-time basis a Missouri public community college or vocational-technical school
- Maintained a grade point average of 2.5 or higher on a 4.0 scale; and
- Made a good faith effort to first secure all available federal post-secondary school financial assistance funds that do not require repayment (FAFSA)

Please check one of the following, then sign and date below.

- I understand the terms listed above as well as in the A+ Handbook, and will follow the guidelines set forth by the State of Missouri and the West Platte High School to be an A+ eligible student and to have the option of using the tuition incentives provided state funds are appropriated by the legislature.
- I understand the terms listed above and at this time choose not to participate in the A+ Schools Program.
